EDUCATION

B-Tech National Institute Of Technology, Srinagar

07/2019 - 06/2021

CGPA : 8.048(Till now)

Courses

- EE with minor in Computer Science

Senior Secondary (12th)

Pragati Public Sr. Sec. School, Kota

04/2017 - 05/2018

Percentage : 80.40%

Courses

- PCM

PERSONAL PROJECTS

1. Spotify Clone Using Javascript and fetch api. (08/2021 - 09/2021)

- Made a website where user can get songs by clicking on categories/singer and can play the preview songs. Fully Responsive on phone and PC.
- Getting the access token from spotify api (using clientID and client_secret).
- Rendering Preview Songs, Image, and play/pause the preview songs using Javascript.

2. Notes App (Frontend + Backend) using React, Node, Express JWT Authentication, bcrypt hashing and mongoDB. (11/2021 - 12/2021)

- Made a single page application in which you can Login or Signup to take notes online and notes can be created, updated as well as deleted.
- Used bcrypt library to store the hash password in the database. And Used JWT authentication to provide the access token (with id associated) and use id for further purpose. Made middleware to extract id from access token.
- Used Context Api, router, hooks etc.
- Used Function based Components for reusable purpose.

WORK EXPERIENCE

SDE INTERN

Cootz Pvt. Ltd.

01/2022 - 06/2021

Edutainment startup booming to lead entertainment and education together.
